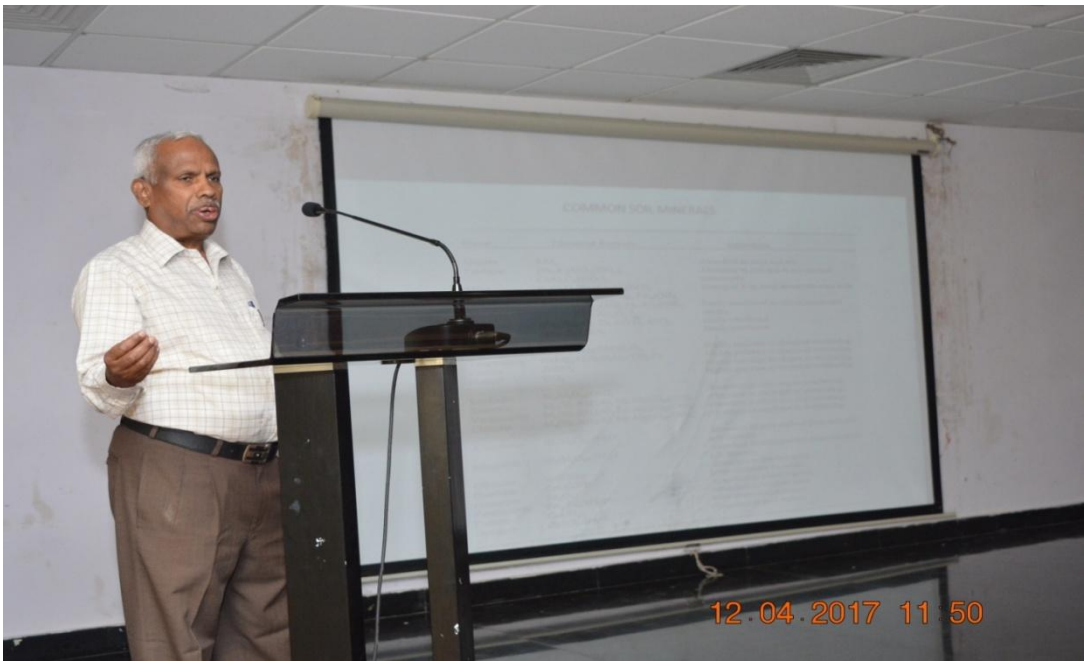
Inauguration of Two Day Workshop on Nano Applications in Civil Engineering



Dr. P.Sivapullaiah (Retd. Prof. IISC Bangalore) delivering a lecture on Nano Applications in Geoenvirnmental Engineering

Felicitation to Dr. P.Sivapullaiah

A Group Photo of Participants with resource persons and the management

Dr. GVR Srinivasa Rao Professor & Head of Civil Engineering, Andhra University Visakhapatnam, delivering a lecture on Evaluation of Specific Applications of Nano Technology in Environmental Engineering

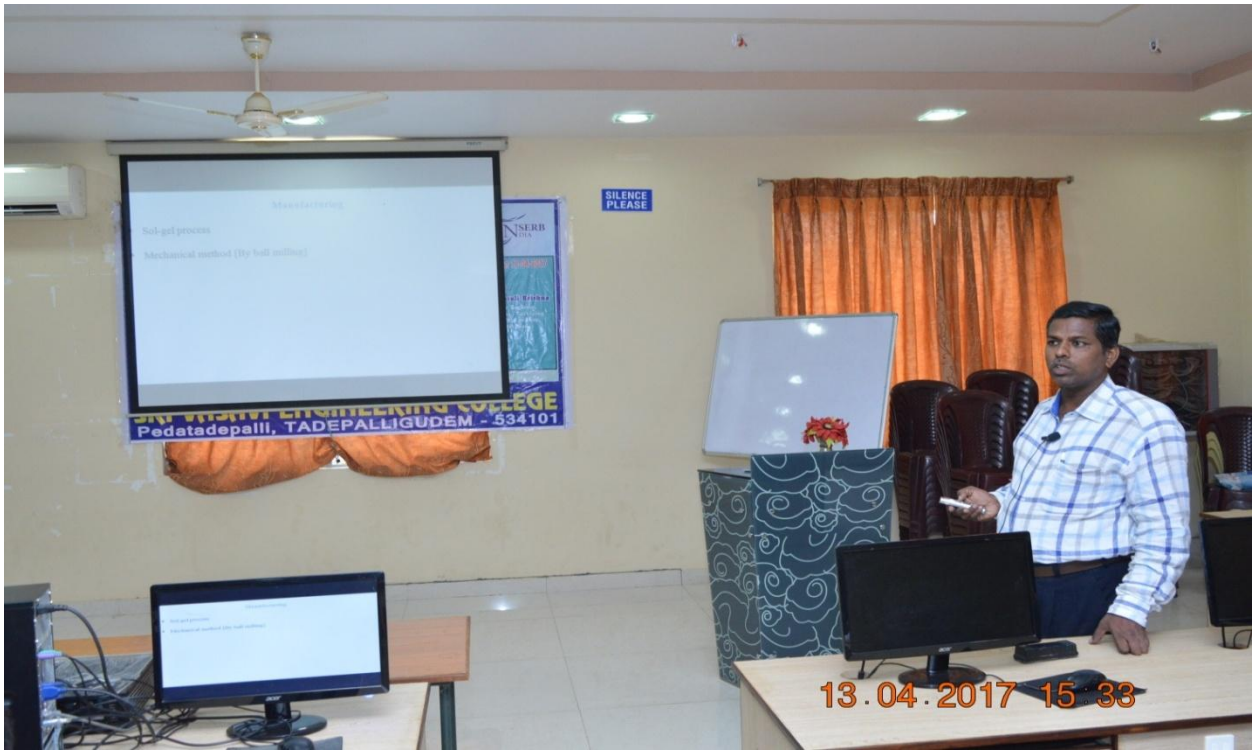
Dr.T.D.Gunneswara Rao Associate Professor, NIT Warangal delivering a lecture on Nano Technology and its applications in Fracture Mechanics.

Dr.M.Kumar Professor & COE, Osmania University, Hyderabad delivering a lecture on Nano Applications and its scope in infrastructure development

Felicitation to Dr. M.Kumar

Er.P.Muralikrishna Exe Engg, SC Railway, Hyderabad, delivering a lecture on Geo-polymer Concrete – Nano Applications

Felicitation to Er. P. Murali Krishna



Dr.Sai Ram, Prof. VIT University, Vellore delivering a lecture on Micro Structure of concrete – Nano Applications

Felicitation to Dr. Sai Ram

Distribution of Certificates to the participants
