## **About our Institution:**

SRI VASAVI ENGINEERING COLLEGE (AUTONOMOUS) stands among the top engineering colleges in the state of Andhra Pradesh. It was established in the year 2001 by Sri Vasavi Educational Society consisting of a group of educationists, industrialists and philanthropists with a desire to share the responsibilities of the society for the development of quality technical education. The college is offering U.G (B.TECH), PG (M.TECH , MBA) and Diploma(polytechnic) programmes.

The College is Located at Pedatadepalli, a peaceful and pollution-free location, 5 km away from the main town Tadepalligudem, West Godavari District. The town is well known as the commercial hub of coastal Andhra Pradesh and is well connected by road (NH16) and rail (Chennai to Kolkata). The College has a spacious campus of 32 acres surrounded by verdant fields and coconut groves.

The college has been continuing its journey with the help of a good number of Doctorates, well experienced and highly qualified faculty, research activities, very modish infrastructure, excellent placements and social service perspective. The college has nearly 4000 students. The accreditations of NBA and NAAC (A) are testimony of the all-round quality performance of the college.

### **VISION:**

To be a premier technological institute striving for excellence with global perspective and commitment to the Nation.

### **MISSION:**

- To produce Engineering graduates of professional quality and global perspective through Learner Centric education.
- To establish linkages with government, industry and Research laboratories to promote R&D activities and to disseminate innovations.
- To create an eco-system in the institute that leads to holistic development and ability for life-long learning.

**Description**

As the world is gripped by the Covid pandemic we are witnessing an incredible process of the global community coming together to address a crisis that affects all of us. So what can you do if you are stuck at home but itching to do something positive for the environment? We NSS UNIT Sri Vasavi Engineering College came up with an initiative called vruksha sethu bridge of plants to do something positive for the environment during this pandemic. NSS, Sri Vasavi is calling up for a social media challenge in the hashtag of vruksha sethu. This is to everyone to plant green and pass over the challenge uniting the student community. Why vruksha sethu? To sustain nature which we have been contaminating. To deal with the drought of pure breathing air. To green environment keeps health pink. To feel the pleasure of clean environment. Studies have shown that spending short amounts of time in forests seems to benefit immune system. Students and general public enthusiastically participated in this well-caused programme.
