## EVENTS DESCRIPTION

### **DIGITAL DYNAMO:**

Join us for an exciting technical quiz where you can test your knowledge and problem-solving skills. This quiz covers a wide range of technical topics, with fellow tech enthusiasts and win exciting prizes! Don't miss this chance to challenge yourself and expand your tech horizons.

### **WEB VISIONARIES:**

This is a web development event. Case studies will be presented to the participants at the venue. They should design the website according to the given requirements.

### **INNOVATION ENIGMA:**

Join us for a day of innovation, where you will present the ground breaking ideas. Explore the future of technology, sustainability, and creativity. Participants should identify the problem to the given themes and provide engineering solution for the identified problem.

### **GUESS ME IF U CAN:**

"Guess Me If You Can" is a fun technical event where participants are challenged about their knowledge, intuition, and deductive skills. It's a fun and intellectually stimulating activity that encourages participants to think outside the box while having a great time. The event is a fantastic way to exercise your brain and have a blast in the process.
