

**SRI VASAVI ENGINEERING COLLEGE (AUTONOMOUS)**  
**PEDATADEPALLI, TADEPALLIGUDEM-534 101, W.G.Dist.**  
**Department of Computer Science & Engineering (Accredited by NBA)**

**Academic Year:2025-26**

**Period: 1<sup>st</sup> June 2025 to 31<sup>st</sup> May 2026**

**Conference Publications: 04**

S.No.	Name of the Faculty	Name of the Conference	Conference Venue & Dates	Title of the Paper	Publication Details (DOI / Publisher)	Date of Publication
1.	Dr. D. Jaya Kumari	Applications of Computational Intelligence in Management and Mathematics	9th ICCM 2023, NERIST, Arunachal Pradesh, India, August 04–05, 2023	Effective Cloud Data Management by Using AES Encryption and Decryption	DOI: <a href="https://doi.org/10.1007/978-3-031-51342-8_15">https://doi.org/10.1007/978-3-031-51342-8_15</a>	01 <sup>st</sup> Oct 2025
2.	Lanka Attri datta Ravi Tez Dr. Shirin Bhanu kodduri	Applications of Computational Intelligence in Management and Mathematics	9th ICCM 2023, NERIST, Arunachal Pradesh, India, August 04–05, 2023	Classifying Bird Race Sound Recognition Using Neural Networks	DOI: <a href="https://doi.org/10.1007/978-3-031-84517-8_9">https://doi.org/10.1007/978-3-031-84517-8_9</a>	31 <sup>st</sup> August 2025
3.	G. Sriram Ganesh K. Praveen kyumar Dr. D. Jaya Kumari Lakshmi Narayana Kondreddi	Applications of Computational Intelligence in Management and Mathematics	9th ICCM 2023, NERIST, Arunachal Pradesh, India, August 04–05, 2023	Detecting Monkeypox Skin Lesions with Deep Learning: A Promising Approach for Early Diagnosis	DOI: <a href="https://doi.org/10.1007/978-3-031-84517-8_41">https://doi.org/10.1007/978-3-031-84517-8_41</a>	31 <sup>st</sup> August 2025
4.	Sadik Mahammad Dr. D.Jaya Kumari K. Praveen Kumar	Applications of Computational Intelligence in Management and Mathematics	9th ICCM 2023, NERIST, Arunachal Pradesh, India, August 04–05, 2023	Spam Email Detection Using Deep Learning Approach	DOI: <a href="https://doi.org/10.1007/978-3-031-84517-8_10">https://doi.org/10.1007/978-3-031-84517-8_10</a>	31 <sup>st</sup> August 2025

**Vision:**To evolve as a centre of academic and research excellence in the area of Computer Science and Engineering.

**Mission:** To utilize innovative learning methods for academic improvement.

To encourage higher studies and research to meet the futuristic requirements of Computer Science and Engineering

To inculcate Ethics and Human values for developing students with good character.
